

Fountain Valley Community Foundation Friends Program

Dear Community Member:

The Fountain Valley Community Foundation participates and supports many charitable groups, activities, and programs that benefit our community. We would like to do more and you can help. All communities need friends to help them come together and grow. The Fountain Valley Community Foundation would like to invite you into the family as a “Friend” of the Foundation. Through your participation we may continue to grow, bringing programs and needed support to the community. Please join us with a contribution whether monetary or as a much needed volunteer. We invite you to make a donation as a friend.
