

The City of Fountain Valley's "HOP ON" Senior Transportation Program provides qualified senior residents the services of California Yellow Cab to destinations in and about Fountain Valley at a cost of \$3.00 each way. Funding to offset the total trip cost is provided through a combination of OCTA Measure M2 Funding, local grants and the City of Fountain Valley.

The Fountain Valley Community Foundation is proud to provide a Senior Transportation Assistance Program\* (*limited funds available*) to help support those who may face a financial hardship related to the \$3.00 ridership fee. Any financial assistance provided by this program is not required to be repaid.
