HELLO,

2026

Local Business & Community Partners

The City of Fountain Valley, in collaboration with the Fountain Valley Community Foundation (FVCF), is proud to offer you this opportunity to participate in "creating community" in Fountain Valley. Annually, the City of Fountain Valley Community Services Department and the FVCF provide the community an exciting and eclectic schedule of events. We invite YOU to be involved by becoming a sponsor!

In 2026, we are expecting an exciting year with special branding opportunities. By participating as a sponsor, your business or agency will be branded throughout Fountain Valley in various mediums. Additionally, all sponsorship funds go directly to support your choice of event(s) and all payments will be made to the Fountain Valley Community Foundation, which is a nonprofit 501c3 organization, and may provide tax benefits to our community partners.

In the following pages you will find programs aimed at enhancing the quality of life in Fountain Valley. However, we proudly offer many other recreational and human services programs and services annually, including the Senior Nutrition Programs, the Utility Art Box Program, and the Community Partnership Program (Facility Naming Rights)

For information on these programs or other sponsorship opportunities, please contact us directly. Thank you for your interest in supporting the community of Fountain Valley!

HOP ON SENIOR TRANSPORTATION

ESTIMATED: 8

800 TRIPS PER MONTH

The Hop On Senior Transportation

Invest in the well-being of our community by sponsoring the HOP ON Senior Mobility Program. This vital, curb-to-curb, on-demand transportation service directly combats isolation and limited access, ensuring residents aged 60 and older can attend critical medical appointments and social engagements. By ensuring our seniors have reliable rides for essential errands, your brand will make a visible, necessary difference that strengthens your reputation as a dedicated community leader.

FVFD P.R.E.P PROGRAM

PREPARING, RESPONDING, EDUCATING, PREVENTING

CONTINUOUS - YEARLY

The Fountain Valley Fire Department's P.R.E.P. Program (Preventing, Responding, Educating, and Preparing) is dedicated to promoting safety and vigilance through educational programs, firefighter's health/wellness programs, and outreach to the community. Here are some additional details on the programs mentioned above.

Firefighter Wellness - to increase the safety of emergency responders and maximize the longevity of emergency service careers. This includes fitness, emotional wellness, and maintaining physical health.

Open House - This is an annual event, held at FV Fire Station 1. The event is in conjunction with National Fire Prevention Week and features fire safety demonstrations and information for residents.

Spark of Love - Each year in late November, fire stations throughout California serve as toy drop-off locations for this charitable event. As residents drop off toys, fire personnel can interact and offer safety information to the community members.

Junior Firefighter Academy - Children learn all about the job of a firefighter. The camp includes first aid, rescue practices, water safety, and fitness. The camp encourages teamwork and making new friends.

Support Services and Charitable Outreach - To assist your community that has been affected by fire or disaster.

Pediatric Patients - Provide comfort and memory-making for families during bereavement and end-of-life care. On holidays and birthdays, gifts are given to pediatric patients who are in the hospital.

Youth and Government Day - City Hall is proud to host local elementary school students, providing them with the opportunity to learn about local government and inspiring the next generation of public servants.

Firefighter Storytime - In partnership with our local library, our dedicated firefighters join children at the library to promote the joy of reading.

Joining Forces - The mission of the Fountain Valley Community Foundation is in line with that of the Fountain Valley Fire Department in that they both look to serve and enrich the lives of Fountain Valley Residents.
